

Soulbird Consulting, *Certified Medical Intuitive*

Terms of Service Agreement

Please Note: This is a copy of the terms you will receive over email that you must e-sign before we can schedule your session.

Thank you for your interest in a Medical Intuitive Assessment. Upon scheduling your session and instructing Soulbird Consulting to provide services to you, you acknowledge and accept that:

- This report is not intended to replace advice of your medical professional.
- It is an intuitive evaluation based on the concepts of interpretation of energy in the human body and must be handled in such a manner.
- The intention of such reports is to aid in the process of overall understanding of human function and behavior using intuition as an assessment tool.
- Instead of offering medical advice or diagnosis, Soulbird Consulting provides energetic interpretation and healing in regard to your medical conditions. All material and information offered about our own or any other outside products, services or therapies is provided solely for educational purposes and for use when discussing your health with your doctor.

Cancellation Policy

If you need to cancel a session, you may do so with a full refund if the cancellation is made at least 24 hours in advance of your scheduled session. Unfortunately, cancellations made within 24 hours of a session will result in the holding of your initial prepayment. The same will apply for a missed or forgotten session on your part.

You acknowledge that your session will be conducted via long distance and that you are not required to be physically present for the scheduled session.

Soulbird Consulting reserves the right to refuse service to any client who engages in any pattern or course of conduct that adversely affects the practitioner's participation in a reading or healing session.

By e-signing this agreement, you understand and agree to these terms.
